## Product Description

Mage Knight - Ultimate Edition, board game (DE), for 1-5 players, ages 14+

As a Mage Knight you have three options: you can become a benevolent leader become a brutal dictator or try to walk the line in between. To do this, it is important to influence one's own reputation, to gain fame and experience and thus to acquire powerful spells and abilities.

Then further units can be added to their own ranks. Will players defeat an ancient Draconum and reap the goodwill of the people or burn down a monastery to steal the artifacts hidden there? Both paths may lead to victory, but the decision is up to the players.

The board game Mage Knight offers a variety of campaigns and allows players to play with each other as well as against each other. In the Mage Knight Ultimate Edition, the successful fantasy board game is available for the first time as a complete set with all three expansions.
