📄 Product Description

Insert - For Living Card Games (LCG), 29.8 x 29.8 x 7 cm

The insert is compatible with variouse Living Card Games (LCG) such as Warhammer Invasion, Ashes Rise of the Phoenixborn, Star Wars: The Card Game, Lord of the Rings: LCG, Android Netrunner: The Card Game and many others with a box size of 29.8 x 29.8 x 7 cm (the larger standard for LCG games).

The design provides both efficient storage and improved game play. The token trays can be utilised during the game and all trays greatly aid set-up and clear-away times. There is space for all cards to be sleeved.

This insert can be used in one of two ways - either using both small card trays together with just two token trays, or using all four token trays and just one small card tray. The product has sufficient components for both variants. Maximum card storage option, contains 900 sleeved cards. Maximum token trays, contains 810 sleeved cards. As noted above this insert works for many LCG style games. Shown here is the insert used for the game Ashes Rise of the Phoenixborn.

Attention! Not suitable for children under 36 months.

Note: It is designed for games with external box dimensions of 29.8 x 29.8 x 7 cm. For the smaller standard LCG box size of 25.4 x 25.4 x 5.1 cm there is another insert (Living Card Games medium box).

This product consists of a flat-pack of 4x Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.

Attention: The game must be purchased additionally. The content of the trays on the pictures is not included!
