### Product Description

Insert - For Tzolkin: The Mayan Calendar and Expansion: Tribes and Prophecies

The insert is compatible with Tzolkin: The Mayan Calendar and its expansion Tribes and Prophecies.

The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game and they greatly aid set-up and clear-away times. The rules and boards act as a lid on top of the trays.

This game has a particularly complex board. The rules go first and then on top each of the board pieces. There is an alternative board design that was provided with some older versions of this game. The insert works with this board also.

Attention! Not suitable for children under 36 months.

**Note:** It is designed for games with external box dimensions of 30 x 30 x 7.4 cm.

This product consists of a flat-pack of 4x Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.

Attention: The game must be purchased additionally. The content of the trays on the pictures is not included!
