Product Description

Messengers of Hope - Expansion for: Star Wars: X-Wing 2.Ed. (DE)

The messengers of hope have arrived! Now the resistance is rising to face the First Order and break their tyrannical influence on the galaxy!

The expansion Star Wars: X-Wing 2.Ed. - Messengers of Hope includes legendary heroes such as Poe Dameron and Temmin Wexley who offer new abilities due to their appearance in Star Wars: The Rise of Skywalker. These brave pilots head into battle in two T-70 X-wing aircraft with updated liveries. In addition, there are several new Resistance pilots who fly a RZ-2 A-wing with updated paintwork.

Overall, you will find in the expansion Star Wars: X-Wing 2.Ed. - Messengers of Hope 10 T-70 X-wing ship cards and 6 RZ-2 A-wing ship cards, giving you even more pilots to choose from. In addition, 25 upgrade cards invite you to further customize the Resistance squadrons, while five quick build cards help get these pilots and upgrades into battle as quickly as possible with a convenient preset selection.

Attention! Not suitable for children under 36 months.
