Product Description

Crazy Cubes, board game (DE), for 1+ players, ages 7+

Crazy Cubes is a tricky game that works with speed and perception. The players have to keep a cool head to lay the right pattern with the game blocks. All players compete against each other. Which player will follow up the pattern with his 5 blocks the fastest? Each player takes a set of 5 blocks. Then one of the task cards is turned over. There are different levels of difficulty - the higher the level, the more demanding the task and the more people start to smoke. The first player who was able to recreate the task with his blocks wins the card! Another task card is drawn and the game continues.
