Product Description

LONPOS - 505, marble game (DE), for 1 player, ages 6+

The puzzle game consists of individual parts in different colors. In the 2D tasks, the player should place all the game pieces on the given area. But the whole thing is harder than it seems at the beginning. Due to the different shapes, it is not so easy to put all the game pieces in it. With the 3D tasks, the challenge becomes even greater if, for example, you build a three-dimensional pyramid on the playing field from the pieces! Each of the LONPOS games is suitable as a travel game, as the pieces can be stored in the play frame and fit in any handbag.
