Insert compatible with The Isle of Cats, including the Late Arrivals and Kickstarter Pack expansions. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times.

The trays are arranged in up to four layers. The player boards are placed at the bottom, and the top board is off-set to cover the long tray on the bottom.

Attention! Not suitable for children under 36 months. The game must be purchased additionally. The content of the trays on the pictures is not included!
