Product Description

Foam Tray Set for Mansions of Madness 2. Edition, Board Game Box

Dare a look behind the facades of the dark mansions of Arkham. But be warned, for the forces of the Mythos, terrible secrets and unspeakable monsters await you there. Now it's up to you and your investigating colleagues to stop the madness. And so that you don't go mad yourself, because ID Tokens or Damage Cards have gone missing again, or the claws of the Deep One are broken off, these two foam trays will organize and protect the entire game material and all of the figures.

On the first foam tray, 12 compartments ensure that the larger figures are safely accommodated. There are 2 for the Star Spawn, 4 for the Hunting Horror and the Riot, and two compartments for smaller miniatures. The separate storage of the miniatures in compartments made of soft foam ensures optimal protection of the sensitive parts. The Star Spawn will keep its wings and the Cultist his scepter.

If you paint your miniatures, the colors here are also well protected against abrasion and flaking.

Another 4 compartments are reserved for cards, tokens and dice. This prevents a nerve-wracking confusion of the accessories, speeds up the game and you will always keep the overview.

The second insert with 28 compartments takes care of the smaller miniatures, like the investigators and the other monsters.

One compartment remains where you can store more tokens.

A suitable foam topper completes the all-round protection for miniatures, markers and the like. The 24 Map Tiles and the Rules Reference can then be stored on this cover.

Including the Map Tiles, the lid of the board game box protrudes approx. 5 cm.

Attention! Not suitable for children under 36 months.

The value set contains:

- 1x foam tray with 12 compartments for miniatures game material
- 1x foam tray with 28 compartments for miniatures game material
- 1x suitable foam topper
- All figures and products shown in photos are for size comparison only. They are not included in the delivery.

The foam trays have the following dimensions:

- 285 mm x 285 mm x 90 mm total height (80 mm usable height + 10 mm foam base)
- 285 mm x 285 mm x 51 mm total height (41 mm usable height + 10 mm foam base)

Features:

- high-quality, fine pored foam
- chlorine and acid-free
- Made in Germany
