Product Description

Storage Box - for 50 Miniatures

You don't know how to safely store your small board game- or tabletop miniatures? In our Storage Box with the matching foam tray for up to 50 figures, of course. The foam tray has 50 compartments which will hold up to 50 small miniatures of various board games and Tabletop systems. The fine-pored foam reliably protects your miniatures – fragile parts remain intact, the color of painted models remains unharmed.

The Full-Size foam tray has the dimensions: 275 mm x 345 mm x 35 mm total height (25 mm usable height + 10 mm foam base).

Of course, the tray fits exactly into the Storage Box FSLB040. The box is made of coated, double-walled cardboard. This makes it not only pleasantly light but also particularly tear-resistant and stable. Your miniatures can thus be stored safely and dust-protected. Due to the flat and compact shape, they can also be easily transported.

The matching foam topper completes the set. Just place it on the tray to make sure nothing can fall out or bump against the lid of the storage box unprotected.

Attention! Not suitable for children under 36 months.
