Product Description

Foam Tray Set for Star Wars: Outer Rim, Board Game Box

The path to fame, glory, and the reputation of a legend is even for the scoundrels at the Outer Rim of the galaxy a tough job. If you want to become the most famous outlaw of the galaxy, you need a good portion of deceit and skill as well as a certain amount of overview.

To ensure that you don't lose it so quickly, this custom-made Feldherr foam set provides protection and order in your board game box.

- The set fits exactly into the original "Star Wars: Outer Rim" board game box.
- Provides space for all Character Standees, cards, markers, ship sheets, and all other game materials.
- The lid of the board game box protrudes approx. 1 to 2 cm.

In the upper insert you can place the eight Character Standees with plastic stands. You have two compartments for these at your disposal.

The 12 ship sheets and the four player boards, as well as the map tiles and endcaps find room in the large compartment in the middle.

The remaining compartments offer you enough space and possibilities to sort your tokens. So you always keep an overview, spend less time setting up the game, and no reputation token gets lost.

Foam tray number two takes care of the cards. A total of 6 compartments offer enough space to store all cards clearly arranged. The compartments are provided with finger-wide recesses to make it easier for you to remove the stacks. All cards also fit with sleeve.

The remaining tokens, such as damage and credit tokens, are placed in the three compartments in the middle. The dice and fame markers are also placed here.

A suitable foam topper completes the all-round supply of the "Star Wars: Outer Rim" box. On the cover you can place the rulebook and the rules reference booklet.

Hereby, everything is securely packed, the game material is clearly sorted and you are one step closer to your legend status.
