Product Description

Magnetic Box for Warhammer Underworlds: Beastgrave - Morgwaeths Blade-Coven, green

No one dares to go to Ghur without good reason. So does Morgwaeth the Bloodied and her bloodthirsty entourage. The daughters of the first temple followed Morathi's orders and went into the dark abysses of Beastgrave to track down a long lost fragment of Khaine. The fact that no shard was hidden there and that this mission was nothing more than punishment for Morgwaeths open criticism of the high priestess, did not prevent the Hag Queen from finding many new offerings to the Bloody-Handed God.

To keep the blades sharpened for the next bloodbath, here is the practical Magnetic Box including custom-made Feldherr foam tray for safe storage of your miniatures.

A total of 10 compartments protect the miniatures and help you to sort the game material. Miniature-exactly cut-out compartments provide a safe home for Morgwaeth, Kyrae, Khamyss, Kryssa and Lethyr.

Embedded in soft foam, the sensitive parts of the filigree models are optimally protected against damage. The precisely fitting cut prevents them from slipping around during transport. Therefore the figures, painted in hours of fine work, are thus spared from scratches and chipped paint.

A further compartment under the figures is reserved for the cards. It is equipped with a finger-wide recess to make it easier for you to get the decks out. Up to 40 cards fit in here, of course also with sleeves. Dice and tokens can be sorted into the remaining four compartments.

The supplied foam topper ensures that your warband is securely packed all around and does not collide with the lid of the box on the way.

The Magnetic Box is the ideal solution for storage and transport due to its low weight and the flat, rectangular shape. It consists of coated solid cardboard in modern Feldherr design. The green box, in which the foam mats are placed, is firmly glued to the casing. This also serves as a lid. Two integrated magnets on the flap and front allow a seamless and easy closing, so that nothing gets lost during transport.

Hereby, everything is neatly and securely stowed away. And your murderous warband is always ready for the next sacrificial feast in the name of Khaine.

Attention! Not suitable for children under 36 months.
