Product Description

Mixtett - Disney Frozen 2, Card Game (DE/FR/IT) + Figurine "Anna", from 5 years

Who can find their quartet the fastest? Go on an exciting card search with Anna and her friends. A pinch of luck, tactics and a good memory are required. Each quartet game includes a great 3D Disney figurine, which is the focus of the game and also serves as a game figure.

The "Frozen" quartets can be combined with each other. The more games you have, the more characters, cards and figures come into play and the more players can play.

How to play: The quartet and action cards are shuffled and placed face down in a circle. The Disney figure is placed on any card and moved over the cards with each roll of the dice. The card on which the figure lands will be revealed. The aim is to find the 4 matching quartet cards for your own character cards. But be careful! The action cards can mess up the game.
