Product Description

Great Plains, board game (DE), for 2 players, ages 10+

Our ancestors immortalized the world around them, just like the animals in it, in cave paintings . And maybe, just like you now, they played games to bring these stories to life ...

A mystical game about a not so mystical peculiarity of ourselves: two players compete for supremacy in the Great Plains! With the help of the spiritual animal world they overcome mountains, cross plains and penetrate the territory of the adversary to become the tribe that lasts.

Created by the same authors of Mandala and beautifully illustrated by the well-known artist Klemens Franz, Great Plains is like a journey to the disputes of our ancestors.
