Product Description

Dive, board game (DE), for 2-4 players, ages 8+

In Dive, players dive into the depths of the ocean around the sacred stone of the village to recover. In addition, they secretly plan their dives at the same time. In doing so, however, they have to make a good estimate of the levels on which there are sea turtles and rays to help them and where the sharks that shouldn't be disturbed.

Dive introduces a completely new gameplay in which the ocean is represented by a stack of transparent cards that are shuffled at the beginning of each game. If a player dives to one of the helping animals the fastest, he will receive a bonus from them. If he correctly estimates the level the sharks are on, he swims past them. Otherwise he has to end his dive for this round.

Dive contains not only a solo game rule, but also rule variants for experienced players or for families with children from 6 years.

Warning !Not suitable for children under 36 months. Legal minimum age: 8
