### Product Description

#### Steampunk Watch - 43 Components

The goal of Steampunk 3D Puzzle "Steampunk Watch" is to remind you of the true spirit of this unique style, which combines art, science and amazing mechanics.

This model is a miniature imitation of a clock with a delicate carved body and a clever mechanism, which sets its gears in motion and moves the hands of the clock. Beautiful lace-like ornaments of the steampunk clock include floral designs: the sun, stars and the moon.

Warning! Not for children under 3 years.

- Number of components: 43
- Setup time: 1 hour
- Model size: 5.7 x 7.8 x 12.5 cm
