Product Description

Dragon Shield: Play Mat - White

A Dragon Shield Playmat provides ultimate protection from any unwanted surface scuffs. Each Playmat has a soft fabric surface and a black rubber non-skid back. The edges are stitched and rounded for an elegant finish and to prevent fraying. The triangular case is great for storing and transporting the playmat, and doubles as a life counter when combined with the coin included in the box.

Combine your coin with the notches on your playmat case to easily keep track of your life total. Coins come in Gold (rare), Silver (uncommon) and Bronze (common) and are perfect for determining order of play. Each coin bears a secret that will reveal more about the world of Arcania - can you figure out the hidden meaning?

Each playmat features:

- Black rubber non-skid back with stitched and rounded edges
- Stable triangular carrying case
- Limited Edition collectible coin.

Attention! Not suitable for children under 36 months

- Measures: 610 mm x 350 mm x 2 mm
- Product Material: Neoprene with Polyester cloth top
