Product Description

Perfect Match - board game (DE), for 2-4 players, ages 10+

Perfect Match is a casual, entertaining and very fun communication game for appraisers, Lateral thinkers, talkers, but also for monosyllables! Because here usually only a single word is enough to find the goal.

With Perfect Match you spin the wheel! At least at the beginning of each round, because the goal is set randomly. Only one team member knows the exact position. He has to convey to his team where the hidden target is and for this he is only allowed to give a single clue. The team must empathize with the tipster and consider how the tip should be understood. There is heated discussion and interpretation. The tipster is not allowed to give any more tips, even if it is often difficult. And when there is a perfect hit, the whole team celebrates it!
