Product Description

Once upon a time, in a far, far distant one Galaxy ... but now the players are right in the thick of it! In the Talisman (R) –Star Wars (TM) Edition, they become part of the incessant battle between good and evil, the light and the dark side of the force. In the roles of Luke Skywalker, Darth Vader, Obi-Wan Kenobi or nine other characters from the Star Wars (TM) universe, your path leads you to iconic homeworlds and planets of the Star Wars (TM) saga. But in the end only one will manage to reach the citadel throne of the Sith and face Emperor Palpatine in order to become the ruler of the galaxy himself or to finally bring it peace.

The Talisman (R) -Star Wars (TM) Edition is a completely stand-alone game that applies the popular Talisman (R) principle to the Star Wars (TM) universe. In the course of the game, the character develops and receives new objects, power skills and familiar.

When it is a player's turn, he rolls the die and moves his figure the number of spaces that have been rolled.
