Product Description

Puzzle: Krypt Pink, 654 pieces (DE)

For constant puzzlers, perseverance, sticking to it - and everyone who never gives up! Difficult puzzle for adults and children from 14 years - puzzles without a picture, only according to the shape of the puzzle pieces.

Every puzzle fan should show their colors at some point and face unprecedented challenges! Break new ground with the pink Krypt and take the ultimate step towards becoming a puzzle professional. How is that supposed to work? Say goodbye to classic motif jigsaw puzzles! That doesn't exist here and that's exactly what makes it so attractive. Now it's time to get to the great variety of shapes of the consistently pink puzzle pieces that are only available from Ravensburger - with a pinch of patience and a lot of puzzle fun, you will find yourself in a real puzzle pull in no time, from which you don't want to emerge. The pink krypt was just a little challenge? No problem, because within this series there are three more puzzles waiting to be laid. Whether you prefer to see black, are into silver or love the golden age: there is something for everyone here. Let's go into a completely new puzzle dimension!
