Product Description

Crystal Puzzle: 3D Bear Lily - Pink, 48 pieces (DE), ages 14+

Make a beautiful plastic crystal figure from the differently shaped individual parts piece by piece in the shape of a bear together. The three-dimensional puzzle is a real challenge for the spatial imagination: The two-dimensional pictures of the instructions have to be converted into three-dimensional objects. Each 3D puzzle piece looks different, making it particularly tricky. Those who are good at puzzling will ultimately be rewarded with a high-quality, approx. The special feature of this crystal puzzle is that the arms and legs can be moved thanks to the button connections. So you can put the crystal puzzle individually in different poses. Collect all of the puzzles and now discover the large crystal puzzles with even more pieces.
