Product Description

Tick Tack Bumm - card game (DE), for 2-12 players, ages 12+

Fast thinkers and word acrobats get the win in this action-packed word-finding game. The focus is on a ticking timer in the form of a bomb that every player tries to get rid of. The die determines where the group of letters specified on the card must be in the word. The timer will start. Now a quick reaction, good timing and the right word at the right time are decisive for victory! Who can quickly find a suitable word for the letter card, and who does the ticking end with a loud thump? This player must then take the letter card for that round as a penalty. Who has the fewest cards at the end of the game? With the groups of letters on the cards and the dice, each round of the game results in new tasks that need to be solved.
