Product Description

299 cats (and 1 dog) - puzzle game (DE), 300 pieces, from 4 years

Everyone knows that there is no point trying to herd cats, and this diabolical puzzle is no different: each piece has a different shape, and they don't fit together like normal puzzle pieces. To keep them all together there is a practical framework: build this first, this will keep your cats in check! The only question left is: who will find the dog?

Warning! Not suitable for children under 36 months. Legal minimum age: 4, legal maximum age: 99

- Pieces: 300
- Age: from 4 years
- Format: 26.7 x 26.7 x 4.9 cm
