## Product Description

Circles - Board game, for 2-5 players, from 7 years

In Circles, everything spins in circles! In Circles you let the ball roll to control the board game. And: Circles, that's two games in one. Circles is a high-quality ball track covered with felt. In the middle is the double-sided printed game board. On one side of the board you dive into the Wild West. Mine gold and silver, be God-fearing, fight bandits and evil neighbors and fulfill the great dream of the first settlers with your own ranch! On the other side of the board, it gets sporty: aim precisely, let the ball roll perfectly and get the most victory points in target shooting. In Circles the games are not controlled with dice or cards. In Circles it's all about the game - whoever lets the ball roll perfectly and places it precisely in front of the right fields will make good progress in the game and win in the end!
