## Product Description

Fabula Rasa: Seemannsgarn - Card game, for 2-5 players, from 8 years

In Fabula Rasa, the players take turns telling a constantly changing story, as is typical for oral traditions. The motifs on the cards provide visual cues for central people, objects and places in the story, which must be remembered in the correct order. Creative and challenging for the memory is that in each round cards disappear and new ones are added. Whoever succeeds as a narrator in presenting his version of the story without errors is rewarded accordingly.

In the Seamen's Yarn set, players take on the role of sailors who tell each other all kinds of fantastic stories in the harbor pub: about sunken ships, treasure maps, pirates, mysterious islands, dangers and adventures on the sea.
