### Product Description

Kosmopoli: t - card game (DE), for 4-8 players, ages 10+

The Kosmopoli: t is THE hippest restaurant! The guests come from all over the world to enjoy the special specialties of the house. You and your fellow players are the employees and are responsible for keeping the service running - and that is a real challenge! As international as your guests are, their languages ??are just as diverse: 60 mother tongues! The waitress manages the dining room via an app and has to listen carefully so that they pass the dishes on to the Maître d'Hôtel as correctly as possible for them to note down. Did the chefs really understand what was wanted at the different tables? And does the wait staff bring the orders to the right guests? At Kosmopli: t, chaos is inevitable and the players are challenged as a team to defend the good reputation of the restaurant for its lightning-fast service. Each lap lasts exactly 6 minutes, which is timed thanks to the app support. Can you and your fellow players keep track of this cooperative kitchen chaos?
