Product Description

Prime Climb (DE), 2 to 4 players, ages 10+

With its great mix of strategy and luck, this fast-paced game is easy enough for children and still offers enough dynamics for adults. The ingenious color coding makes arithmetic child's play! Roll the dice, add, subtract, multiply and divide up to the middle of the board. You collect prime number cards and scare your fellow players back to the start. If you are the first to bring your two pawns to the 101, you WIN!

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Players: For 2 to 4 players, ages 10+
- Playing time: 20 minutes
