Product Description

Dixit (new design), card game (DE), for 3-8 players, ages 8+

Dixit is a game for people with imagination. In each round, someone else takes on the role of the narrator. He comes up with an appropriate statement about one of the six cards in hand. This can consist of one or more words, or it can only be limited to onomatopoeia; invent freely or use a quote, an excerpt or a variation from a famous work. It can be the beginning of a song, a movie title or a line of a poem.

There are no limits to your imagination. According to the meaning of their hand cards, the other players choose the one they believe best fits the handicap. Which card was chosen by the narrator? Which card is closest to this? Not revealing too much and not too little, that's the art.

A picture is worth a thousand words! The classic among the creative picture communication games. In a new, modern design and playable with up to 8 players. Always discover new worlds with many extensions.

Warning! Not suitable for children under 36 months. Legal minimum age: 8

- Number of players: 3-8
