Product Description

Unstable Unicorns - Card Game, for 2-8 players, from 8 years (DE Edition)

Unstable Unicorns is a strategic card game for 2-8 players from Unstable Games, where players have to build their own unicorn army. So the game is all about everyone's favorite things: unicorns and destruction. Each player starts with a baby unicorn in their stable. But players shouldn't get too used to it, because in this game, not even the baby unicorns are safe. There are over 20 magical unicorns to collect and each of them has its own special abilities. Players must build their armies as quickly as possible or face destruction. In the process, they have to protect their own stable with magic. Sounds easy? Not so fast! Only the one who builds his army first may call himself the rightful ruler of all things magical... at least until the next game.

Attention! Not suitable for children under 36 months. Legal minimum age: 8, legal maximum age: 99

- Number of players: 2-8
