Product Description

Ingenieur - Dice game, for 1-4 players, from 8 years (DE Expansion for Railroad Ink)

Railroad Ink is a "Roll & Write" game that combines theme and fun.

The dice expansions can be used for any Railroad Ink or Railroad Ink Challenge game (instead of the included expansion dice).

Engineer Dice Expansion:

The Construction Expansion allows you to move, destroy, or place existing routes on a space of your choice thanks to building permits.

In the Redevelopment Expansion, you can improve existing routes by adding new things to existing routes to create entirely new route shapes.

Replace a route cube with the Specialization Expansion cube, which provides more opportunities for larger networks ... but also for more end-of-game mistakes!

Or replace a route cube with the Separation Expansion to increase the difficulty with crazy route shapes!

Note: You can use any cube expansions of this set in addition to other expansions!

Attention! Not suitable for children under 36 months. Legal minimum age: 8, legal maximum age: 99

One main game is required.

- Number of players: 1-4
- Age: from 8 years
- Playing time: 30+ minutes
- Content: 4x dice (1x construction, 1x redevelopment, 1x separation, 1x specialization)
