Product Description

U-Bahn - Dice game, for 1-4 players, from 8 years (DE Expansion for Railroad Ink)

Railroad Ink is a "Roll & Write" game that combines theme and fun.

The dice expansions can be used for any Railroad Ink or Railroad Ink Challenge game (instead of the included expansion dice).

Subway Dice Expansion:

Build underground subway shafts and water pipes while continuing to build rails and roads on the surface. To do this, each player uses 2 boards - one for the surface and one for underground construction. Stations located on the same square of both boards increase your network as nodes. However, stations that lie over water pipes will cause them to burst!

This expansion can even be played as a stand-alone variant - i.e. without surface board and normal track cubes.

Attention! Not suitable for children under 36 months. Legal minimum age: 8, legal maximum age: 99

- Number of players: 1-4
- Age: from 8 years
- Playing time: 30+ minutes
- Content: 4x dice (underground construction)
