Product Description

Dungeon World: 20 Dungeon Starter - Softcover, 44 pages (DE Edition)

The 20 Dungeon Starters by Mark Tygart and Marshall Miller are a collection of thematically related keywords, game mechanics and monsters to help the game master get a Dungeon World game session up and running quickly. It may be easy to start playing without any pre-prepared material, but sometimes it's nice to have someone else set up the stage for you. For this purpose, this book offers a collection of sets, props, effects and characters, but no set script.

Attention! Not suitable for children under 36 months. Legal minimum age: 14, legal maximum age: 99

The rule book is required.
