Product Description

Don't walk in Winter Wood: Horrible Holidays - Adventure book, 56 pages (DE Edition)

Holidays give structure to our year. In them our traditions live on and in them we come together and move a little closer around the common hearth fire. There is a magic inherent in these special days that no one can escape, big or small, old or young. But on the edge of the winter forest, in the small village far from civilization, the holidays can also carry a vicious old horror.

The Horrible Holidays scenario collection for Don't walk in Winter Wood contains stories about selected holidays.

Part of Dungeon World.
