Product Description

Storage Box FSLB055 for cards and game material - 1650 cards + token

The Feldherr Storage Box including seven card and two token holders will help you to organize your cards (63.5 mm x 88 mm) and game materials.

With this set of Feldherr Storage Box FSLB055, card and token holders you finally bring order to the chaos. At the same time, it ensures that your game cards survive every transport undamaged and always arrive in perfect condition at the game table.

- Card and token holders are individually removable and can be used on the game table as a gaming solution.
- 7 card holders help you sort the game cards.
- All cards also fit with protective sleeves.
- Place for up to 1650 cards without protective sleeves or for up to 825 cards with protective sleeves (max. outer dimensions: 66 mm x 91 mm)
- The card holders are compatible with "Standard Card Game Size" (63.5 mm x 88 mm) for games like Magic: The Gathering, Pokémon, Keyforge, and Legend of the Five Rings.
- 2 token holders are available for various markers, tokens, and game materials (e.g., damage markers for Pokémon).
- transportable and tilt-proof - vertical storage possible
- No assembly required. All parts are ready for immediate use.

Attention! Not suitable for children under 36 months.
