Product Description

Sherlock Holmes` world - Puzzle, 1000 pieces (DE Edition)

Put Sherlock's world together! Take your deerstalker hat off the hook and dive into Sherlock's London full of dead bodies and car chases. Once you've put the puzzle together, the search begins! Start at 221B Baker Street and find Conan Doyle's most memorable characters - the Hound of the Baskervilles as well as Moriarty, Dr. Watson, Mycroft, and real historical figures. The A2 poster will help you identify all 50 people and locations and tell you what roles they played in the great detective's adventures. Includes a template A2 poster with fun Sherlock facts.

Attention! Not suitable for children under 36 months.

- Contents: 1000 pieces, poster
- Puzzle size: approx. 680 x 485 mm
