Product Description

MATTE Scythe and/or Lost Cities Sleeves 72 x 112 mm - Transparent (60 Sleeves)

Board-game cards suffer from frequent shuffling and heavy touching, therefore their protection should be of huge interest to any devoted board gamer. These board-game sleeves provide a premium protection and still keep a great shuffle feel. With their matte lamination, these sleeves block annoying reflections to ensure that cards are clearly visible from all angles and avoid symptoms of eye fatigue during gameplay. The reinforced thickness of 100 microns adds weight and strength to all cards and provides a premium appearance. Attention! Not suitable for children under 36 months.
