Product Description

The Taverns of Tiefenthal and the Open Doors Insert

Insert compatible with The Taverns of Tiefenthal®, and the Open Doors® (Zimmer Frei!®) expansion. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. The rules and boards act as a lid on top of the trays.

The trays are arranged in up to two layers. The insert includes trays for storing and organising all of the game components. Each player receives their own player tray with space for all the rooms and other small tiles from the various modules. The card trays are sized so that all cards can be sleeved.

FS-TOT is a third party, unofficial game accessory. All trademarks and copyrights remain the property of their respective owners, which are in no way associated or affiliated with Folded Space EOOD.

This product consists of a flat-pack of 4 Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.

Note: Insert designed for game with external box dimensions of 29.8 x 29.8 x 7.2 cm.
