Product Description

Mother of Dragons - A Song of Ice & Fire, from 14 Years (Expansion)

Queen Daenerys Targaryen is known not only as the mother of dragons, but also as the head of House Targaryen. She is in control of three of the mystical beings. Rhaegal, Viserion and Drogon obey their orders. As if the Legions of the Immaculate and the Dothraki hordes weren't enough, Daenerys's real strength lies in her dragons. With their help, she will reclaim the Iron Throne.

The Mother of Dragons expansion for the A Song of Ice & Fire: Tabletop miniatures game offers Targaryen players three huge dragons to use on the battlefield alongside their "mother". Each dragon has its own miniature.

An A Song of Ice & Fire - Targaryen starter kit is required.
