Product Description

Insert: Twilight Imperium Prophecy of Kings

Insert compatible with Twilight Imperium: Prophecy of Kings® expansion that works in conjunction with our FS-TI4 insert in the main game box.

The design offers both efficient storage and improved game play. Many of the shelves can be used during the game and make assembly and dismantling times much easier. The rules and game boards act as covers on the compartments.

This product consists of a flat pack with 5 Evacore plates. The panels must be assembled quickly and easily using ordinary PVA glue. Detailed instructions are included in the packaging.

Note: The insert is intended for games with the outer dimensions of the box of 43.3 x 30.0 x 13.4 cm.

Warning! Not suitable for children under 36 months. The game must be purchased separately. The content of the subjects in the pictures is not included!
