Product Description

Magic Rabbit - Board game, for 1-4 players, from 8 Years (DE Edition)

Create order backstage together before the magic show begins!

The magic show is about to start, but behind the curtain there is chaos: the rabbits are jumping around and the hats are rolling over the floor! You have to fix it all up. Hurry up! The audience is getting impatient!

Magic Rabbit is a fast-paced game for 1 to 4 people, ages 8+, in which you have to work together under time pressure to put rabbits and hats in the right order.

You only have two and a half minutes for this, during which you are not allowed to talk about which rabbit is hiding under which hat. Fluttering pigeons also restrict you and rob you of valuable time.

As soon as you have made it, you can dare to use one of the three secret envelopes and face new challenges with the scenarios in it.

Attention! Not suitable for children under 36 months. Legal minimum age: 8, legal maximum age: 99

- Number of players: 1-4
- Age: from 8 years
- Playing time: 2,30 minutes
