Product Description

Breaking Bears - Board game, for 2-5 players, from 7 Years (DE Edition)

Put on your yellow protective suit, put on the gas mask and then off to the laboratory. We're mixing together the best stuff you've ever seen!

2 to 5 bears aged 8 and up carry out experiments in the strong party game Breaking Bears, research and then release their swarms of bees to collect honey. Can you mix the purest honey? Can you resist the temptations of your own supplies?

Choose what you want to do at the same time as the other bears. If you can guess what your neighbors are doing, you will get extra honey! But be careful: it is dangerous to accumulate too much honey. Above a certain amount, even the most strong-willed bear can no longer resist and slouches away his entire supply!

Be the one who buzzes!
