Product Description

ZSD1 dwarf spider droid - Star Wars: Legion, from 14 Years (DE Expansion)

Dwarf spider droids were preferred by the Separatist Alliance trade guild for their ruggedness and ease of manufacture. These four-legged, domed mechanical spiders carried strong, centrally placed armaments that qualified them for a wide range of uses on the battlefield.

This expansion for Star Wars: Legion contains 1 highly detailed miniature of a ZSD1 dwarf spider droid (enough for a support unit) as well as new unit and upgrade cards.
