Product Description

BTA-NR2-Y-wing: Star Wars: X-Wing 2nd Ed., from 14 years (DE extension)

The end of the Galactic Civil War also meant that the demand for weapons of war declined. This resulted in the BTA-NR2-Y-wing, which was developed in order to be able to fulfill almost any function with the right modifications. The previous standard arsenal has been redesigned as a separate upgrade module, making the ship lighter and more user-friendly. This makes it a perfect choice for smaller governments, independent security agencies, and even criminal cartels.

This set expands your game by two BTA-NR2-Y-wings.

Not a complete game. A base game of X-Wing is required to play.
