Product Description

Patchwork - board game, for 2 players aged 8 and up (DE edition)

There are lots of scraps of fabric and leather patches lying around, so you should be able to sew together a great quilt! But this not only takes effort and time, you should also use your supply of buttons sparingly. If you choose the patches cleverly and combine them skilfully, your patchwork quilt can be the winner.

Caution. Not suitable for children under 36 months.
