Product Description

Red Rising - Card Game for 1 - 6 Players (DE Edition)

Since the dawn of time, the shamans have protected the spirit worlds from the threat of the shadows. This mission has never been more dangerous. Even before the moon reaches its zenith, you as a shaman must restore the balance between the worlds, otherwise the universe will plunge into chaos!

You each represent a house in Red Rising and try to expand your influence by gathering followers around you. Will you accept the rule of the Golden Ones or organise underground to break the chains of world society?

Red Rising is an interactive card-choice and card-management game for 1 to 6 players aged 14 and up by game designers Jamey Stegmaier and Alexander Schmidt and illustrators Jacqui Davis, Miles Bensky and Justin Wong.

You play in a world marked by inequality, where each caste wants to gain power. By choosing the right followers, you can increase your influence on the institute. But not all characters can cooperate with you on your way to the top...

Caution! Not suitable for children under 36 months!

- Players: 1 - 6 players, 14 years and up
- Game duration: 40 - 69 minutes
