This product provides players with a smart and quick solution to store and organise their decks.

The Deck Holder 80+ is a handy deck box for the safe storage of up to 80 double-sleeved cards. The self-closing flap closure can be opened up to 180° thanks to the innovative "Cobra Neck" technology on the back.

A practical labelling strip allows you to label your cards individually, while the included flexible card separator gives you the option of separating your cards from tokens, for example. Caution! Not suitable for children under 36 months.
