Product Description

Dominion® Allies (DE expansion), age 13+.

Allies is the 14th expansion to Dominion. It contains 400 cards, with 31 new kingdom card stacks. There are allies to do you favours, and split stacks to rotate.

It's a party! People are dancing in the streets and riding horses through the dance halls. You've finally made an alliance with the barbarians to the north. Instead of the streets being red with blood, they'll be, well, the usual colour. The point is, there is peace. To be sure, the negotiations were not easy. The barbarians are rude, they don't have a five-second rule and they stick out the wrong finger when drinking tea. But there are advantages too. They've given you skulls to drink mead from, and spices to remove the aftertaste of skulls. And you've given them things in return: forks, mirrors, trousers. That's great for everyone. And now that this deal is done, you can take care of your other neighbours. Soon all allies will be yours.

Attention: Allies is a Dominion® expansion and can only be played together with a base game or the base cards. The game can be combined with all Dominion® expansions!
