Product Description

Abteilung 502 Paint Set - Mapping Technique Lights And Shadows

High quality oil paint set with long lasting and stable pigments. With high density, depth and intensity of colours. This set is specially designed for creating lights and shadows on your models. You can use the stippling technique and blend the colours, creating a discoloured and dirty surface with a wide variation of colours. You can also use the mapping technique and these oils to create different effects and volumes on basecoats and camouflage on any ship, vehicle or aircraft thanks to their properties that allow perfect blurring and transparency.

Caution. Use under adult supervision. Not suitable for children under 12 years.

Contents: ABT002 Sepia, ABT035 Buff, ABT050 Olive Green, ABT092 Ocher, ABT155 Light Sand, ABT170 Light Grey, 20 ml tubes.
