Product Description

Abteilung 502 Auxiliary - Liquid Mask, 100 ml

Liquid Mask is very popular with modellers to protect parts that do not need to be painted. The mask has a characteristic blue hue and a sweet vanilla smell, it is not aggressive and does not even damage transparent plastic parts. It dries quickly, leaves the masked surface free of paint and can eventually be removed as a thin elastic film.

Caution. Use under adult supervision. Not suitable for children under 12 years.
