Product Description

Magistrar, board game, for 2 players, from 8 years old.

Magistrar is a new duel game for 2 players with a quick start, short game duration and several game variants. In the magical land of Magistrar, the best magicians meet in a huge arena.

The players compete against each other as two of these magicians in five duels. Points are awarded for each duel won - as well as for collecting as many tiles of an energy type as possible.

Magistrar is played as an exciting majority battle using game pieces with three different values. The number of pieces is limited, so the use of the pieces must be well thought out. Every game round is different, as the energy in the arena is randomly composed and always presents the players with new challenges! Duel of the Magicians™ is suitable for players aged 8 and over and lasts 15min. Three enclosed game variants including the expansion "Duel Cards" as well as extensive game material ensure that the mage battle never gets boring.

Caution! Not suitable for children under 36 months. Legal minimum age: 8

- Players: For 2 players aged 8 and up
- Game duration: 10 to 15 minutes
