Product Description

Diorama Effects - Russian Mud, 200 ml

Another colour series specially developed to perfectly represent age and weathering on models and in dioramas.

Russian Mud is a well-known shade known as Black Earth, particularly dark and dense, found in the very fertile soils of Eastern Europe, Ukraine and Southern Russia. Russian Mud contains traces of vegetation that give it a special density and realistic texture.

Caution. Use under adult supervision. Not suitable for children under 12 years.

- Colour: Russian Mud
- Size: 200 ml
